

chairman of the convention, and that he would be allowed to act if sufficient evidence of his loyalty was shown. Otherwise, when Chairman Harris presented the national committee's choice, the silver men in the convention would reject the choice and name a man of their own making.

At the headquarters of the "honest-money" committee of 25 the plan to make Hill temporary chairman was viewed with great favor. Mr. Robbins said that Hill doubtless would be able to force the silver men from the hall. Other of the anti-silver Democrats expressed themselves in much the same way.

It was said at the State Democratic headquarters yesterday that Governor Altgeld would lead in the fight against Senator J. H. Gallinger. Said one of the anti-silver Democrats: "The only hope we have in this convention is to force the silver men to bolt. I can think of no other man who can hold the gold men together as well as Senator Hill. He gives the silver men who come from the Western States who want to go to the extreme in the money plank, and for this reason will have every attempt at conservatism. In the excitement there may be a chance of stampeding the convention, and if there is the gold men will come out on top."

The silver Democrats announced that so far as they knew there would be no bolt, but insisted that they would stay for the convention until it got too hot for the anti-silver men.

The bimetallic Democratic national committee will convene at a meeting June 29, at 10 o'clock, at the headquarters of the anti-silver Democrats. The committee will make arrangements for the meeting, and will also make arrangements for the convention. The committee will also make arrangements for the convention. The committee will also make arrangements for the convention.

#### FEARS A SILVER SENATE.

Mr. Gallinger Sees Little Prospect of Tariff Legislation.

BOSTON, Mass., June 27.—United States Senator J. H. Gallinger, in an interview at his home in Concord, concedes a silver Senate. "I fear for the control of the Senate," he said. "A full Senate now numbers ninety members, and we shall need forty-six to carry a majority. Though I am not sure, I believe that the silver men will continue until 1899, we can get along during the next Congress with forty-five."

"We now have forty-four Senators who are nominally Republicans, but of these, five—Senators Heller, Dubois, Carter, Manning and Cannon—are silver men. The passage of the Dingley emergency tariff last winter, and I suppose we must now add to them Senator Pettigrew, of South Dakota, because he left the St. Louis convention to support silver. This reduces us to thirty-eight straight Republicans who are for protection, and as the protection yoked with free silver, and we shall need seven more to enable us to pass the revenue bill, which the country deems."

"Some of our gains are already made, as in Maryland and Ohio, and we shall elect New York, Illinois and Wisconsin. We will give us forty-three, or two short of a majority. Among our danger spots we must include New Jersey, where a Prichard's seat is likely to be lost, because he was first elected by a fusion movement, which probably will be a fusion movement. In Utah also there is danger of losing Senator Brown. In California, where the silver men in deadlocking the Dingley bill, and who now have been confronted with an issue of free silver, and which will either defeat or cause him to concede with Senator Cannon in a policy of protection."

"In Colorado Senator Wolcott is in similar danger, as he has been subject to numerous criticisms. In California, where so far as Senator Teller in his devotion to the white metal, and in this regard, we cannot elect in either Kansas or Illinois, and the outlook is not rosy. I am sure that the silver men will continue until 1899, we can get along during the next Congress with forty-five."

#### Altgeld Not Planning a Coup.

SPRINGFIELD, Ill., June 27.—There is nothing whatever of truth in the statement sent out from here last night that Governor Altgeld was planning a coup to remove the members of the congressional W. R. Morrison for President at the Chicago convention. The Governor himself said so at breakfast to-day in a most emphatic manner.

The Governor also denies the story published in a Chicago paper, to the effect that he (Altgeld) had determined to swing the Illinois delegation to the national convention to support the silver men, and that he would not support the silver men, and that he would not support the silver men.

#### Sibley for Teller.

VICTOR, Col., June 27.—In an answer to an inquiry made by the Daily Record, of this city, Joseph Sibley, of Pennsylvania, wired the following reply from Franklin, Pa.:

"I am a candidate for no official place. I believe if all reform forces united they could reform the government. I believe in a grand triumph in November next. I believe in a grand triumph in November next. I believe in a grand triumph in November next."

#### CLEVELAND, June 27.—A number of the friends of M. A. Hanna in this city gave him a dinner at the Union Club this evening.

At the conclusion of the dinner, Mr. Hanna was presented with a letter, inscribed with the names of his friends. Mr. Hanna made a feeling response to the presentation, which was delivered by Andrew Squire.

#### Robert M. Nevin for Congress.

HAMILTON, O., June 27.—The Republican convention of the Third Ohio district to-day nominated Robert M. Nevin, of Dayton, for Congress.

#### SCHEME OF CROOKS.

Names of Prominent Men Forged on a Petition for Clemency.

ST. LOUIS, June 27.—In the forgery of the names of several of the most prominent citizens of St. Louis to letters pleading for clemency for a convict named W. W. Burns, a scheme of perhaps the shrewdest and most famous gang of crooks in the country has come to light. Prentice Tiller, the notorious forger, rank robber and letter-box thief, to whose gang Burns belonged, is supposed to have been the prime mover in the crime. The forgeries included the names of Gov. D. R. Francis, William H. Thompson, president of the National Bank of Commerce, and Chief of Police Laurence Harrison. The names were forged for the purpose of securing the pardon of W. W. Burns, alias W. W. Varney, alias W. W. Vance, a notorious member of the Tiller gang, who is now serving a year sentence in the Ohio penitentiary.

At Columbus, O., during May, June and August of 1895, Major McKinley, Governor of Ohio, received the forged letters purporting to come from the prominent men of St. Louis, asking for the pardon of the man who is under the name of Burns in Columbus. The persons who wrote these forgeries assumed that Burns, or Varney, name was Vance, and the letters signed with Mr. Francis's name says that the ex-Governor has in trust for the prisoner \$25,000, to which he is heir when he is twenty-one years of age. The first of the St. Louis police knew these forgeries were the receipt to-day by Chief Harrison of a letter from Warden Coffin, of the Columbus (O.) penitentiary, inclosing copies of the bogus letters.

#### Kneaded Out in the First Round.

NEW YORK, June 27.—In the Unique Athletic Club's boxing show, in Williamsburg to-night the principal fight was between Henry "Bull" Johnson, of Chicago, and Butler (colored), of Philadelphia. Baker put his man to sleep in the first round, after two minutes, thirty-five seconds.

Butler opened with a left-hand blow on Baker's jaw, knocking him to the ropes, but after some time Baker was on his feet, and the fight continued. Baker was on his feet, and the fight continued. Baker was on his feet, and the fight continued.

#### FILIBUSTERS ARRESTED.

DETAILS OF THE DETENTION OF TWO FLORIDA STEAMERS.

Friends to Be Released.

KEY WEST, Fla., June 27.—The steamer City of Richmond, which left here Wednesday morning, arrived at Miami Thursday noon and landed a cargo of fruit, cigars, etc. She left Miami Friday morning at 8 o'clock, and before she got over the bar one of the revenue cutter small boats of the Winona approached. She was in charge of Lieutenant Hay and four marines, who boarded the steamer and examined her.

They were found to be all right. Lieutenant Hay went back to the revenue cutter, and the captain then ordered him to return and examine some cases of hardware which were marked "Diamond, Jacksonville." The officers of the steamer were questioned as to why the cases were not landed at Miami, and were informed that there was no one to receive and pay charges on them. The officers of the steamer also informed the Lieutenant that passengers were not landed because they had purchased round-trip excursion tickets, and that they only went for the trip. Upon examining the cases they were found to contain arms and ammunition. Lieutenant Hay having been instructed, if he found arms on board, to take charge of the vessel, ordered her to proceed to Key West, and she left for here at 1 o'clock Friday afternoon.

The steamer Three Friends was met outside the Indian key and was signed by Lieutenant Hay, who requested the officers to send a boat alongside. This was done. Hay boarded the Three Friends and examined the papers, which were found to be all right. He reported to the revenue cutter, and its captain ordered the first lieutenant to take charge of the boat. Captain Brown had on board Dr. Castile, Senator Carlos Silva as guests for a two-weeks' cruise among the keys. The Three Friends took charge of the steamer, and the case is reported that she will be released and leave for Key West.

#### FEAST OF COMIC OPERA.

"PINAFORE," "PATIENCE" AND "BILL-LEE TAYLOR" THIS WEEK.

Special Production of Gilbert & Sullivan's Famous Satire on the Queen's Navy at Wildwood.

The Temple Opera Company will begin the fourth week of summer opera at Wildwood to-morrow night with a revival of "Pinafore." No opera written by that prolific firm of comic opera producers made a more lasting impression on the public than this famous old satire on the British navy. Little Buttercup and how she mixed the babies up can never be forgotten, but the recollection of her vixenish conduct is rivaled by the valorous deeds of Dick Deadeye, Ralph Rackstraw and Bill Bobstay. Sir Joseph Porter, the accomplished politer, as well as making a hit in the several well-remembered songs that fall to the lot of Sir Joseph. George Lyding should make a handsome Ralph Rackstraw, and Della Niven, in the role of Little Buttercup, will have another opportunity to display her popular contralto to the best advantage. The entire cast of "Pinafore" will be as follows:

Sir Joseph Porter ..... Edward P. Temple  
Captain Corcoran ..... Walter Langley  
Ralph Rackstraw ..... Harry Dickinson  
Dick Deadeye ..... H. J. West  
Bill Bobstay ..... H. J. West  
Chorus of sailors.

Josephine ..... Miss Little Taylor  
Helen ..... Miss Della Niven  
Chorus of sailors, cousins and aunts.

Scene—Deck of H. M. S. Pinafore.

"Pinafore" will be the bill for two nights only, which should be borne in mind by those desiring to see it.

On Wednesday night there will be a performance of "Patience," which went so well the second week at Wildwood, following "Patience" and continuing the remainder of the week will be given "Bill-Lee Taylor." The costumes and scenery for each of the three operas will be new. With the program this week Wildwood will doubtless be a popular resort.
